

## CAN LINERS

Gigantic Bag can liners are a product everyone finds useful. Strong and lightweight, our heavy-duty trash bags are designed for a perfect fit. There's no messy overhang or bunching — and they won't slip. Perfect for commercial settings, home use, contractor clean-up, yard waste and more.

Manufactured by Gigantic Bag right here in the USA. Our traditional star seal liners are produced as flat or gusset sealed liners. Available as coreless rolls, flat-pack put-ups and in sizes to meet your requirements.

Gigantic Can Liners are:

Constructed with low-density, 2-mil strength

Eco-friendly. Made from post-consumer, post-industrial recycled materials

Made in the U.S.A

# PLASTIC WITH PURPOSE™

We are a responsible manufacturer committed to bringing a sense of purpose to everything we do:

All products are made in the U.S.A. by American workers

Employer of Choice: quality jobs, living wage, comprehensive benefits

All products are available branded as described or private label

Sustainable & Responsible: products can be given a BioBoost(TM) and made more eco-friendly with a spectrum of bio-resins from biodegradable and compostable to ocean resin plastics.

Small Business (SBA) Supplier (with the capabilities to deliver big!)

Secure supply chain: no tariffs, local shipping means lower shipping costs and fewer emissions
