

HEALTHCARE COLLECTION

Plastics products are essential to the safety of patients and health workers. They are cost-effective and versatile and can help reduce cross contamination and ensure good hygiene.

Gigantic Bag offers many purposeful plastic products for use in healthcare settings. Get in touch for a custom quote today!

CAN LINERS

Heavy duty trash bags designed for a perfect fit. There's no messy overhang or bunching — and they won't slip. Perfect for commercial settings, contractor clean-ups and more.

PLASTIC SHEETING FOR WAYFINDING

Medical facilities, public transportation and office spaces often require a temporary barrier to assist with wayfinding or creating protected spaces.

MATTRESS COVERS

Keeps mattresses in great shape for short- or long-term storage. Keeps out dirt, dust, odors, moisture and pests.

BIOHAZARD BAGS

Gigantic Bag medical waste bags are for collecting, storing and transporting biohazardous waste. These heavy duty bags provide strength and resist punctures and tears.

X-RAY CASSETE COVERS

Protect cassettes from fluids with disposable cassette covers. Great for use in the emergency room, operating room and with portables.

PLASTIC WITH PURPOSE™

We are a responsible manufacturer committed to bringing a sense of purpose to everything we do:

All products are made in the U.S.A. by American workers

Sustainable & Responsible: products can be given a BioBoost(TM) and made more eco-friendly with a spectrum of bio-resins from biodegradable and compostable to ocean resin plastics.

Employer of Choice: quality jobs, living wage, comprehensive benefits

All products are available branded as described or private label

Small Business (SBA) Supplier (with the capabilities to deliver big!)

Secure supply chain: no tariffs, local shipping means lower shipping costs and fewer emissions
